

## Chiltern League 2010/11

### Race 5 Wing Results, 13<sup>th</sup> February 2011

#### Report

The final round of the Chiltern League returned to Wing this year at one of Silson's favourite venues, not least because it's not that far and we tend to do pretty well here. This year though we were beset by injuries with several not making the start line and a few more not making the finish line. Fortunately, we were safe from relegation before this round because of the sterling efforts of the team earlier in the season.

The conditions were good overhead but underfoot the mud was as thick and the course wetter than anyone could remember and a common feature of the junior races was lost shoes in the gateways where over a foot of mud made retrieving them very difficult.

In terms of finishers we had 10 juniors, 18 men and 7 ladies. The star of the show in the ladies was Tasha King who led the Silson ladies home for the first time with a great effort over a tough course that really suits her. Sue, Maddie and Mel completed the scoring quartet for the ladies. The best junior performance was by Layne Wray who finished 12<sup>th</sup> in the U13 girls and can anticipate more strong finishes over the longer distances in the U15s next year. Well done to all the juniors who completed this tough course.

In the men's event, Nick Pacey finished with only one shoe amid rumours that it was trodden on by a competitive sibling while the two were battling side by side to be first Silson runner home. Andy Pacey duly led the team home followed by Simon Woodward who stayed a respectable 20 seconds behind Andy to avoid the same fate. The ten counters for Silson included Dave Coates and Trevor Barnes for the first time this season who put in strong runs and showed the benefit of our strength in depth.

Finally, its worth noting the great support that we had at Wing as we have had at all the races this year, including several runners who couldn't run through injury and above all the Junior girls who double up as great cheerleaders after they have run – thank you!
