

Silson Joggers Committee Meeting
Monday 6th July 2009, 36 Hawthorn Drive, Towcester

Present: David Coates, Mel Bignell, Allan Lock, Brian Keers, Graham Linnell, Andy Hoare

1. Apologies Action

John Fowler, Linda Lytollis

2. Minutes of the Previous Meeting

The minutes were accepted as correct.

3. Matters Outstanding from Previous Minutes

List of those club members requiring CRB checks be circulated to the committee with details of which checks were still outstanding

Mel

4. Treasurers Report

John F sent his apologies, but no report had been received

5. Working Group Reports

Training (Coaches)

Graham reported that there had been a coaches meeting on the 5th July and that a rota had been completed through to November 2009. He said that the Tour of Becknell's would be a week earlier that 2008. Graham also said that from September there would be an additional Sunday training group for slower runners which he would initially work with until Allan returned from his time in Sweden.

There will be a further Flying Coach session which Graham would organise for September.

Graham

Juniors

An end of season bowling event had been organised for the 7th July and it was hoped that a number of juniors would enter for a track day at Kettering on Sunday 11th July

Brian suggested that there should be a junior representative on the club committee and after general discussion it was decided that instead of the original suggestion of a junior member joining the committee, juniors should be represented by a parent.

10K

There were a number of additional suggestions for improvements in 2010:

- Signage for the prize giving
- Site plan for marshalls

Action

Clubmark

Brian reported that the evidence pack had been pre-assessed by Steve Lloyd of England Athletics and that there were still some items missing.

Brian asked if Mel could produce a Juniors Welcome Pack and if Linda could work on a Seniors Welcome Pack

**Mel
Linda**

The membership forms would also need updating to include a section for medical information

Linda

He said that he was trying to source a Risk Assessment course to attend and also highlighted the need for the remaining documents to be produced as a matter of urgency as the Clubmark criteria were due to be revised in the Autumn which, unless the club's evidence pack had been submitted, would mean re-starting the accreditation process.

Kit

Allan reported that the training hoodie had been well received. He also proposed ordering additional junior training tops and competition vests.

Allan

It was also suggested that the website kit photos should be updated

Allan/Andy

Communications

Brian reported that he had spoken to Chris Wood about taking over the post of Press Officer, and that Chris had indicated that he was currently too busy organising his wedding, but that he would consider taking the role in September

6. Any Other Business

- Coach Development

Brian raised the point that the coaches training was due to change in September and that the Level 1 training would be carried out of two days and that the cost would rise from £60.00 to around £200.00.

It was suggested that coaches be asked to sign agreement that in recognition of the club funding their training, they would commit to training at a minimum number of sessions per year. The details of the agreement were still to finalised.

Brian suggested that each coach be issued with a coaches pack containing The various appropriate club documents and policies. Mel said that she had already had the same idea and had begun work on the pack

Mel

7. Date of Next Meeting

Monday 28th September, Mel's House
